

All the great people at Saint Anthony Messenger Press, our Franciscan Family in Ohio! God bless you over and over for your help, support, care, and willingness to work with all the new ideas I come up with! I know that every Catholic publishing house is doing the work of God, but in my book you stand out above the rest!

With grateful thanks,

I ask God to bless each of you with, “All Peace and All Good!”

Sister Patricia Proctor, OSC
